

# Geneseo CUSD #228 2021-22 District Plan

+ Supported by our Board of Education, the plan's elements are based on our internal data, information from other schools, the expertise of our nurses, and guidance from the CDC, IDPH, ISBE and the Henry & Stark County Health Department.

## Key takeaways:

- + Strongly recommending students under 12 and those who are unvaccinated or immunocompromised wear masks, but not required
- + Continuing to contact trace: Getting vaccinated, wearing masks and maintaining at least 3 feet of social distance will help keep kids in the classroom
- + Being ready and willing to pivot to lesser or stricter protocols
- + Requiring masks to be worn on school buses (CDC mandate)
- + Anticipating full sports seasons (awaiting IHSA direction)

## Our plan provides:

- + A safe learning environment
- + Consistency and the opportunity for students to attend in-person all-day, every-day
- + The least restrictive learning environment

Everyone, whether wearing a mask or not, will be part of Geneseo's *Teach - Learn - Care* mission and treated with dignity and respect.
