Class Rank: Geneseo High School no longer ranks.

Honors/Enriched: Honors and Enriched courses offer students the opportunity to work in a more rigorous curriculum that includes reading, writing, and research-based learning activities. Classes are offered in the academic areas of English and Social Studies and are graded on a 4.0 scale.

Advanced Studies: Advanced Studies is an instructional improvement program designed to help ensure that the outcomes of college preparatory course taken in high school are aligned with essential postsecondary skills. Advanced Studies provides research-based educator resources to shape rigorous course content and improve outcomes in up to 12 high school courses. There will be a .5 weighted grade assigned to the GPA of these classes. If a student drops the class at any time during the year, the weighted grade will not be awarded. Geneseo High School offers Advanced Studies classes in Math and Science.

Advanced Placement: Advanced Placement courses are college level courses that may qualify for college credit following completion of the College Board AP exam. There will be a weighted grade of 1 point assigned to the GPA of these classes. If a student does not take the AP test or drops the class at any time during the year, the weighted grade will not be awarded. Geneseo High School offers AP classes in Biology, Calculus, Statistics, Chemistry, English Language & Composition, English Literature & Composition, Government, Macroeconomics, Microeconomics, Music, Physics, Spanish and US History.

Special Education: Geneseo High School offers a variety of courses and support services to those students who qualify for an Individual Education Plan.
